

Log On

- 1) Open the ASME Standards Collection page: <http://asmestandardscollection.org>
- 2) To access without a user name and password, click "Click here to use guest access." Contact your librarian if you are interested in setting up an account to customize and save your personal preferences on the site.

The ASME Standards Collection

ASME is the leading international developer of codes and

- 3) The page will load the welcome screen below:

Welcome to the ASME Standards Collection

The image displays the main content area of the ASME Standards Collection website, organized into four panels:

- Fast Track:** Includes a "Designation Search" field with the example "e.g. 19001" and a search icon, a "Quick Link:" section, and a "Last Accessed Document:" section.
- My Library:** Shows "Browse All (User Level) 513 documents" and a list of categories such as "Aerospace & Defense", "Air and Gas Treatment", "Assembly", "Biomedical Devices", "Bioprocess", "Blanks", "Boiler Engineering", "Care & Operation", "Certification and Training", "Chains", and "Combustion & Heat Transfer".
- My Cloud:** Contains a "Signup free for a personal account to activate additional value added features like Annotations, Bookmarks, Tags, Markers etc." and a "Log in to your personal account." link.
- Bulletin Board:** Features a "Content Update" section with a list of new revisions, including "ASME B18.13 2017 [New Revision] (03/03/2017)", "ASME B31.3 2016 [New Revision] (03/03/2017)", and "ASME B16.23 2016 [New Revision]".

Search Tips

4) There are two ways you can search. Search by designator, see list below, or by the year of the last revision by typing your search criteria into the search box under the Fast Track quadrant.

Fast Track

Designation Search: e.g. 19001

Type your search criteria into the upper right hand corner box to search by key word(s), year, or designator. Use parentheses to search a phrase.

Designation Text Options | Clear

Manage

Search

Search Options ✕

Search inside:
 Title Title and Abstract Full Text

Scope:
 Current Document
 All Documents (User)

Output Type:
 Filtered document with highlight Full document with highlight

Recent Searches:

- engineering design
- *engineering design*
- %engineering design%
- usage statistic
- usage
- usage report

Note:
For Text Search:

- Enter keywords separated with space to find documents containing any of the keywords within the category/scope, or
- Enter a phrase in quotes, e.g. "ethylene oxide sterilization".

For Designation Search:

- Enter partial or full designation of the Standard. e.g. Enter 2013 to find all the standards that have 2013 in the designation.
